| It's been a while since it started |
| There was a big storm when I leave Dani's home |
| I really wanted to... |
| My feeling |
| The air is... |
| The flowers |
| Today I have.... |
| The heat of the beach |
| My neighbor Luis was there |
| The moment was... |

Under the chair of the bedroom

My friend's cat was as grey as the sky that day

I pretended...

My spare time

The kitchen was dirty

A reason

The message in the phone was unexpected

My mum asked me not to do it

The towel was on the floor

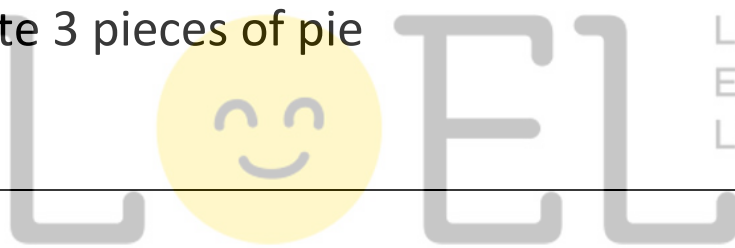

I haven't seen my friends for 3 weeks

Although my bedroom was dark...

Don't touch my diary!

I decided not to tell nothing

I ate 3 pieces of pie
